FEMCO BETTER NEWS 2d 2782-395

Erickson Bros., Frederick, S. Dak.

8 Miles East of Frederick, South Dakota.

Monday, June 10, 1957, 1 P. M.

WELCOME AGAIN TO ERICKSON FARMS

We again take great pleasure in inviting you to our production sale of Shorthorn cattle to be held on June 10, 1957 at 1 o'clock at the Sale Pavilion on the farm.

Since the time we started in Purebred Shorthorn business in 1939 we have never had as impressive a herd bull battery as we have today: Imp-in-dam Leveldale Dispatch, Imp. Tolquhon Rustler and Femco Better News 2d. We think that we have the best herd bull battery in the mid-west and have the best of breeding found in this country and Scotland.

Our sale offering is made up of sons and daughters of Leveldale Dispatch, Edellyn Royal Leader 53d and Aberfeldy Notary. The heifers will carry the service of Tolquhon Rustler, Leveldale Dispatch and Femco Better News 2d. We acquired Femco Better News 2d, the most impressive son of the \$10,000 Camson Better News, to breed some of the heifers in this sale, in accordance with our policy to providing new and the best breeding to our customers.

Plan to be with us on the sale date (June 10, 1957). You are welcome whether you come to buy or just to look over the herd.

Yours truly,

Erickson Bros.

TOLQUHON RUSTLER Imported from John Sleigh Traves Aberdeenshire, Scotland. Sired by Bapton Principal, dam Tolquhon Rosewood Duchess by Calrossie Dazzler. We added this bull to our herd two years ago to follow our plan of getting the best and most popular breeding from Scotland to have available to our customers. We are having some heifers bred to him in this sale. The calves by Tolquhon Rustler are too young to sell but will be featured in our sale next year. His top calves are comparable to the calves by Dispatch. Yes, here also is a bull with top bulls all the way down his pedigree.

LEVELDALE DISPATCH (Imp.-in-dam) sired by Calrossie Good News, dam Saltoun Wimple 8th. The calves by Leveldale Dispatch have been impressive that have been born on the farm and have attracted considerable attention by breeders and big commercial cattle producers of all breeds. His pedigree is diamond studded with great bulls of the breed; first his impressive sire Calrossie Good News who has made an enviable record in this country as well as his homeland in Scotland; then follows Kirkton Baronet his sire that has been in more pedigrees of bulls imported from Scotland than any known sire. The dam of Dispatch is by Chapelton Royalist the great bull bred by Walter Biggars & Sons that has done so much to improve the breed in Scotland, also many other top bulls; and this breeding is being infused into our American pedigrees and cattle and is adding both Quality and top breeding. Adding a bull or heifer to your herd with this new breeding will add value to your future offering.
